

PSE TRENDS IN NATURAL PRODUCTS

YOUNG SCIENTISTS' MEETING, PARIS 2023

28-30 JUNE 2023 // PARIS

PSE Trends in Natural Products

NEW CHALLENGES FOR NATURAL PRODUCTS IN BIOACTIVE MOLECULES DISCOVERY

On behalf of the **Phytochemical Society of Europe (PSE)** and the **Université Paris Cité**, the organizing and scientific committees are pleased to announce the Trends in Natural Product Research - PSE Young Scientists Meeting Paris 2023 that will be held from June 28th to 30th. This event will take place on the university campus of the Faculty of Pharmacy in Paris, near the Luxembourg Garden. This international congress will host between 100 and 200 experienced and young international researchers working on chemistry of natural substances with applications in several fields (Health, Agro-food and Cosmetics). The scientific program will include plenary lectures, oral communications by young researchers, poster contributions and a workshop.

TRENDING TOPICS

1. Purification and structural identification of natural products
2. Hemi-synthesis and synthesis of natural products
3. Pharmacology and toxicology of natural products
4. Applied Metabolomics and genomics
5. Genetics
6. Optimization and validation of analytical methods
7. Plant Biotechnology
8. Chemotaxonomy
9. Development of eco-responsible processes
10. Valorization of marine products
11. Secondary metabolites of microorganisms and their applications

 Faculty of Pharmacy, University Paris City,
4 avenue de l'Observatoire, 75006, Paris

 From 28 to 30 June, 2023

REGISTRATION

Type of registration	Early registration before May 5 th , 2023	Late registration after May 5 th , 2023
Full participant, PSE member^{1,2}	400	450
Full participant, non-PSE member¹	450	500
MSc/PhD student or postdoc fellow, PSE member^{1,2,3}	300	350
MSc/PhD student or postdoc fellow, non-PSE member^{1,3}	350	400
Accompanying person⁴	150	200

1. Registration fees include attendance to all sessions, certificate of attendance, book of abstracts, lunches, coffee breaks, guided visit to the botanical garden (limited places), welcome reception and gala dinner.

2. Proof of an active PSE membership is needed for reduced registration fees to apply.

3. Proof of MSc / PhD student or early (<2 years from PhD defense) postdoctoral fellow status is needed for reduced registration fees to apply. Please send proof of student or postdoctoral status, as applicable, to pseparis2023@gmail.com

4. Registration fees include lunches, coffee breaks, guided visit to the botanical garden (limited places), welcome reception and gala dinner.

IMPORTANT DATES

- Deadline for the **abstract submission** is April 10, 2023.
- Submitting authors will be advised if their abstract has been accepted by May 5, 2023.
- The presenting author for each abstract must register to attend the conference no later than May 5, 2023.
- Abstracts that do not have a registered and paid presenting author by May 5, 2022 will not be included in the conference program and e-book of abstracts.
